pondence must be in this office by

week they have news letters. We are  
dependent upon them for the news and  
when they fail to send in their favors  
they put us to great inconvenience.

### A Fireman's Close Call.

"I stuck to my engine, although  
every joint ached and every nerve  
was racked with pain," writes C.  
W. Bellamy, a locomotive fireman,  
of Burlington, Iowa. "I was weak  
and pale, without any appetite and  
all run down. As I was about to  
give up, I got a bottle of Electric  
Bitters and, after taking it, I felt  
as well as I ever did in my life."  
Weak, sickly, run down people al-  
ways gain new life, strength and  
vigor from their use. Try them.  
Satisfaction guaranteed by J.  
Taylor Day, Hazel Green, or S. S.  
Combs & Son, Campton. Price  
50 cents.

On tomorrow night (Friday the

Green academy will hold a debate  
at the chapel. The question is  
one of interest, and you should

taxpayers—other than polltax,  
should be allowed the right of suf-  
frage" is the question. The discus-  
sion will begin at seven o'clock.

reading matter, we can furnish you

## +ANNOUNCEMENTS.+

For Representative—1st District.  
**CECIL**—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature for Morgan and Wolfe counties, subject to the action of the Democratic party.

**MORRIS**—We are authorized to announce J. P. MORRIS, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to action of the Democratic party.

It is certainly amazing to note how Secretary Long insists on forcing the Sampson-Schley controversy to the front again, in spite of the fact that it has now been demonstrated that Sampson did not even plan the battle which Schley won, but simply adopted the orders by which Watson brought order out of chaos at Havana, and applied them to the Santiago blockade.

It is possible that the senate may refuse to confirm General MacArthur, as a result of his arbitrary action in exiling an editor who presumed to criticize the harbor regulations of Manila. The article has now reached Washington and has proved to be absolutely innocent and very moderate in tone.

Justice Harlan made a speech the other day in which he said: "The fathers never intended that this government should ever exert any power or authority over any part of the earth's surface free from the letter and spirit of the constitution." This looks bad for McKinley's policy.

Senator Platt, of Connecticut, chairman of the senate committee on Cuba, has stated the administration's policy toward that island saying that congress cannot amend its constitution but can refuse to accept it until it is amended to suit the President. This is beating the devil around the bush with a vengeance.

There is a curious parallel between Queens Victoria and Wilhelmina. Each made a love match with a German prince and each was almost the sole representative of a moribund dynasty. Victoria saw her country increase to an extent undreamed of when she came to the throne. Will Wilhelmina do the same?

After spending millions on mortars of coast defenses, the war department has now come to the conclusion that they are useless, the chances of their hitting anything being nil, and has stopped asking for money to buy them. Pity it couldn't have found this out before.

We hope the weather bureau man studied the methods of the ground hog attentively on Saturday last. The former certainly needs any aid however, empirical, that he can get in his business.

A powerful engine cannot be run with a weak boiler, and we can't keep up the strain of an active life with a weak stomach; neither can we stop the human machine to make repairs. If the stomach cannot digest enough food to keep the body strong, such a preparation as Kodol Dyspepsia Cure should be used. It digests what you eat and it simply can't help but do you good.  
H. F. PIERATT.

LORD KITCHENER is certainly a genius. He reports that one of his posts has been captured by 1,000 Boers who charged upon it in the pitchy night. Then he adds that he has, as yet, received no details of the capture.

It is worth remembering that Mrs. Nation did not attack the joints with the idea that her single arm could abolish them. She did so merely as the most effective means of calling attention to the deliberate violations of the law that were going on.

There is absolutely no need for an extra session, but now that it is evident that the ship subsidy infamy cannot be forced through, it seems practically certain that there will be one—to attend to Cuban and Philippine legislation, of course.

No, gentle reader, we cannot tell you just what the position of the subsidy bill is today. We have lost our schedule and cannot tell whether it is now being made "unfinished business" or is being laid aside.

Do you know that the United States is spending more money in preparation for war and mending the damages done by war, than any country in the world, not excepting Germany, England and the other great powers? It is a fact.

Here is an account of an Ohio woman who committed suicide for "reasons that cannot even be conjectured." Then the account adds innocently, that she had cooked buckwheat cakes for breakfast.

As usual, when the negro invades a fresh field, trouble has resulted from his entry into Hawaii. The south is the only country where the negro is given a fair chance to earn his living.

The Pope certainly honored himself by saying mass for Queen Victoria; especially when it is considered that she was, in a way, the head of a rival communion.

Gen. Caffee put in his thumb and pulled out a good sized plum. Was he rewarded for calling Walders down and making the Kaiser, oh, so angry?

It will take a long time for China to recover from the doses of applied Christianity that she has been taking during the last few months.

If Carnegie thinks fighting is so dishonorable, why does he continue to make guns and armor for men to fight with?

Hanna is wondering whether the intention of some senators towards his subsidy bill are altogether honorable.

It won't be long now before we see the two billion congress if the republicans remain in power.

Recent experiments show that all classes of foods may be completely digested by a preparation called Kodol Dyspepsia Cure, which absolutely digests what you eat. As it is the only combination of all the natural digestants ever devised the demand for it has become enormous. It has never failed to cure the very worst cases of indigestion and it always gives instant relief.  
H. F. PIERATT.

Isn't it pleasant to leave your business or forfeit your salary to act as jurymen and then have the judge on the bench read you a long lecture because your idea of the facts doesn't agree with his?

There is always danger in using counterfeits of Dewitt's Witch Hazel Salve. The original is a safe and certain cure for piles. It is a soothing and healing salve for sores and all skin diseases. H. F. PIERATT.

Crazy Snake has been arrested. Now for crazy Nation.

Rev. Barney Blanckenship has got that disease which is going the rounds—la gripe, and he says all his children are sick in bed with the same complaint.

**KEEP** your blood pure and your stomach and digestive organs in a healthy condition by taking Hood's Sarsaparilla and you will be WELL.

Several persons in town have recently lost small sums of money from their residences by some of the light-fingered gang. Hope they will be caught and punished, and this thieving broken up.

The man about town took a little stroll about our beautiful town, trying to get a few local items for our paper, but ninety per cent. of the people we approached, said I know nothing, only I have got the gripe.

For the weakness and prostration following gripe there is nothing so prompt and effective as One Minute Cough Cure. This preparation is highly endorsed as an unfailing remedy for all throat and lung troubles and its early use prevents consumption it was made to cure quickly. H. F. PIERATT.

There have been eight additions to the Church of Christ in Hazel Green within the past few days. Five by primary obedience, two reclaimed, and one by statement. The audiences at all services are large and much interest is manifested. The minister has been preaching on Wednesday and Saturday nights, besides the regular services on Sundays.

## Had to Conquer or Die.

"I was just about gone," writes Mrs. Rosa Richardson, of Laurel Springs, N. C. "I had Consumption so bad that the best doctors said I could not live more than a month, but I began to use Dr. King's New Discovery and was wholly cured by seven bottles and am now stout and well." It's an unrivaled life-saver in consumption, pneumonia, la gripe and bronchitis; infallible for coughs, colds, asthma, hay fever, croup or whooping cough. Guaranteed bottles 50c and \$1.00. Trial bottles free at J. Taylor Day's, Hazel Green, and S. S. Combs & Son, Campton, drug stores.

## REMINISCENCE.

BY SAM WILSON.

You went away and left me 'neath  
The spreading boughs of the old elm tree,  
Which was love's fair and sweet retreat;  
And you was all the world to me.

There's naught on earth can have the power  
Even untold wealth or crowns of fame  
Could lure me to exchange one hour  
Beneath those boughs with thee again.

You went away, and left some lines,  
Some poetry which I cherish dear;  
Round every word there seems a chime  
Of music breathing soft and clear.

More than a year has flitted by,  
Yet still my heart find no regret;  
And on its shrine you can rely;  
It could not, would not e'er forget.

Ah! memory of that golden time  
Has stamped an image on my heart;  
A treasure that will always shine  
In glory as a work of art.

Uncle Sam is looking for the highwaymen who stopped the mail-carrier between Hindman and Jackson Friday week, and made him dismount and deliver over to them the mail bags. After they had rifled the sacks, they made the mailman take the back track toward Hindman, while they proceeded on to Jackson. It is not known how much booty the thieves secured, but when Uncle Sam gets his clutches on them, they will wish they never was born.

Mason & Hoge, railroad builders, of Frankfort, have taken the contract to finish the Ohio & Kentucky railroad. All the old contractors have retired from the road. The new contractors are energetic men, and will push the work through, and the road will be finished some time during the summer.

## Consumption

is destruction of lung by a growing germ, precisely as mouldy cheese is destruction of cheese by a growing germ.

If you kill the germ, you stop the consumption. You can or can't, according to when you begin.

Take Scott's Emulsion of Cod Liver Oil: take a little at first.

The genuine has this picture on it, take no other.

It acts as a food; it is the easiest food. Seems not to be food; makes you hungry; eating is comfortable. You grow stronger. Take more; not too much; enough is as much as you like and agrees with you. Satisfy hunger with usual food; whatever you like and agrees with you.

When you are strong again, have recovered your strength—the germs are dead; you have killed them.

If you have not tried it, send for free sample, its agreeable taste will surprise you.

## A Sad Death.

We are pained to mention the death of one of Wolfe county's best citizens, Esq. J. S. Vest, who died Monday, 11th inst., and well known as one of THE HERALD's correspondents of Gillmore, Ky., as by the name of "Uncle Remus." Mr Vest had been justice of the peace of this county for a number of years, and postmaster of Gillmore at the time of his demise, and was a member in good standing of the Masonic order. Mr. Vest was a good business man, and one that no man could say aught against his honesty and integrity as a man. He was beloved by all who knew him. He leaves a wife and several children, and a large number of relatives and friends to mourn his loss. Quite a number of Masons from this place attended the funeral of their deceased brother.

## Bible Institute.

On February 26-28, Robert M. Hopkins, of Louisville, State Sunday School Evangelist in Kentucky, will conduct a Sunday School Bible institute in Hazel Green. Two sessions will be held each day—one at 3:30 p. m., the other at 7:00 p. m. At the night session he will use the oxy-hydrogen stereopticon with moving pictures. A black board talk will accompany each lecture. Everybody should arrange to attend all the sessions. Come and bring all the boys and girls. Every session will be free to everybody.

On March 1-3 he will conduct an institute at Frenchburg. Let the people of that place give him a hearty welcome.

## Bucklen's Arnica Salve.

Has world-wide fame for marvelous cures. It surpasses any other salve, lotion, ointment or balm for cuts, corns, burns, boils, sores, felons, ulcers, tetter, salt rheum, fever sores, chapped hands, skin eruptions; infallible for piles. Cure guaranteed. Only 50 cts. at J. Taylor Day, Hazel Green, or S. S. Combs & Son, Campton.

On the fourth Sunday in this month the members of the Christian church at Hazel Green will make their annual offerings for Foreign Missions and State Missions. We hope every member of the church will have a part in this good work. Come, let us give as the Lord has prospered us. Let us make a real sacrifice that the Gospel may be given to the heathen and to the needy of our state. Our love for Christ will be measured by our liberality. Wm. H. CORD, Minister.

Sam Wilson has just finished the interior of Henry Pieratt's property on the heights, each room is done in different tints. Sam is an expert with the brush.

## Thousands Have Kidney Trouble and Don't Know It.

### How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

### What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

### A Fireman's Close Call.

"I stuck to my engine, although  
every joint ached and every nerve  
was racked with pain," writes C.  
W. Bellamy, a locomotive fireman,  
of Burlington, Iowa. "I was weak  
and pale, without any appetite and  
all run down. As I was about to  
give up, I got a bottle of Electric  
Bitters and, after taking it, I felt  
as well as I ever did in my life." Weak, sickly, run down people al-  
ways gain new life, strength and  
vigor from their use. Try them.  
Satisfaction guaranteed by J.  
Taylor Day, Hazel Green, or S. S.  
Combs & Son, Campton. Price  
50 cents.

On tomorrow night (Friday the  
15th) eight young men of Hazel  
Green academy will hold a debate  
at the chapel. The question is  
one of interest, and you should  
here the discussion. "Only  
taxpayers—other than polltax,  
should be allowed the right of suf-  
frage" is the question. The dis-  
cussion will begin at seven o'clock.  
Admission free.

Now if you want lots of good  
reading matter, we can furnish you

pecially applies to every Christian.

True copies of the greatest Masterpieces in  
the art galleries of Europe. Every picture

## +ANNOUNCEMENTS.+

For Representative—1st District.  
**CECIL**—We are authorized to announce JAMES B. CECIL, of Morgan county, as a candidate for Representative to the Legislature for Morgan and Wolfe counties, subject to the action of the Democratic party.

**MORRIS**—We are authorized to announce J. P. MORRIS, of Morgan county, as a candidate for Representative to the Legislature from Morgan and Wolfe counties, subject to action of the Democratic party.

It is certainly amazing to note how Secretary Long insists on forcing the Sampson-Schley controversy to the front again, in spite of the fact that it has now been demonstrated that Sampson did not even plan the battle which Schley won, but simply adopted the orders by which Watson brought order out of chaos at Havana, and applied them to the Santiago blockade.

It is possible that the senate may refuse to confirm General MacArthur, as a result of his arbitrary action in exiling an editor who presumed to criticize the harbor regulations of Manila. The article has now reached Washington and has proved to be absolutely innocent and very moderate in tone.

Justice Harlan made a speech the other day in which he said: "The fathers never intended that this government should ever exert any power or authority over any part of the earth's surface free from the letter and spirit of the constitution." This looks bad for McKinley's policy.

Senator Platt, of Connecticut, chairman of the senate committee on Cuba, has stated the administration's policy toward that island saying that congress cannot amend its constitution but can refuse to accept it until it is amended to suit the President. This is beating the devil around the bush with a vengeance.

There is a curious parallel between Queens Victoria and Wilhelmina. Each made a love match with a German prince and each was almost the sole representative of a moribund dynasty. Victoria saw her country increase to an extent undreamed of when she came to the throne. Will Wilhelmina do the same?

After spending millions on mortars of coast defenses, the war department has now come to the conclusion that they are useless, the chances of their hitting anything being nil, and has stopped asking for money to buy them. Pity it couldn't have found this out before.

We hope the weather bureau man studied the methods of the ground hog attentively on Saturday last. The former certainly needs any aid however, empirical, that he can get in his business.

A powerful engine cannot be run with a weak boiler, and we can't keep up the strain of an active life with a weak stomach; neither can we stop the human machine to make repairs. If the stomach cannot digest enough food to keep the body strong, such a preparation as Kodol Dyspepsia Cure should be used. It digests what you eat and it simply can't help but do you good.  
H. F. PIERATT.

LORD KITCHENER is certainly a genius. He reports that one of his posts has been captured by 1,000 Boers who charged upon it in the pitchy night. Then he adds that he has, as yet, received no details of the capture.

It is worth remembering that Mrs. Nation did not attack the joints with the idea that her single arm could abolish them. She did so merely as the most effective means of calling attention to the deliberate violations of the law that were going on.

There is absolutely no need for an extra session, but now that it is evident that the ship subsidy infamy cannot be forced through, it seems practically certain that there will be one—to attend to Cuban and Philippine legislation, of course.

No, gentle reader, we cannot tell you just what the position of the subsidy bill is today. We have lost our schedule and cannot tell whether it is now being made "unfinished business" or is being laid aside.

Do you know that the United States is spending more money in preparation for war and mending the damages done by war, than any country in the world, not excepting Germany, England and the other great powers? It is a fact.

Here is an account of an Ohio woman who committed suicide for "reasons that cannot even be conjectured." Then the account adds innocently, that she had cooked buckwheat cakes for breakfast.

As usual, when the negro invades a fresh field, trouble has resulted from his entry into Hawaii. The south is the only country where the negro is given a fair chance to earn his living.

The Pope certainly honored himself by saying mass for Queen Victoria; especially when it is considered that she was, in a way, the head of a rival communion.

Gen. Caffee put in his thumb and pulled out a good sized plum. Was he rewarded for calling Walders down and making the Kaiser, oh, so angry?

It will take a long time for China to recover from the doses of applied Christianity that she has been taking during the last few months.

If Carnegie thinks fighting is so dishonorable, why does he continue to make guns and armor for men to fight with?

Hanna is wondering whether the intention of some senators towards his subsidy bill are altogether honorable.

It won't be long now before we see the two billion congress if the republicans remain in power.

Recent experiments show that all classes of foods may be completely digested by a preparation called Kodol Dyspepsia Cure, which absolutely digests what you eat. As it is the only combination of all the natural digestants ever devised the demand for it has become enormous. It has never failed to cure the very worst cases of indigestion and it always gives instant relief.  
H. F. PIERATT.

Isn't it pleasant to leave your business or forfeit your salary to act as jurymen and then have the judge on the bench read you a long lecture because your idea of the facts doesn't agree with his?

There is always danger in using counterfeits of Dewitt's Witch Hazel Salve. The original is a safe and certain cure for piles. It is a soothing and healing salve for sores and all skin diseases. H. F. PIERATT.

Crazy Snake has been arrested. Now for crazy Nation.

Mrs. Bonnie Jones and two of her children are afflicted with the gripe.

Charles Buchanan, our shoemaker, has got an attack of la gripe.

Carl Mize was another victim to the la gripe, but is now on the road to recovery.

Mrs. Lou Day received word from Dr. Collier, of West Liberty, that he will be here soon.

Wm. Kash, a rising young lawyer of this place, made a business trip to West Liberty on Saturday.

Miss Lula Kash was the happy recipient of a very fine pair of kid gloves from Miss Sadie Sprinkle, of Clarksburg, Va.

Persons who can not take ordinary pills find it a pleasure to take DeWitt's Little Early Risers. They are the best little liver pills ever made. H. F. PIERATT.

Rev. Barney Blanckenship has got that disease which is going the rounds—la gripe, and he says all his children are sick in bed with the same complaint.

Misses Lillie Swango, Mary Pieratt and Rena Anderson, three handsome little ladies, were pleasant visitors at THE HERALD office one day this week.

**KEEP** your blood pure and your stomach and digestive organs in a healthy condition by taking Hood's Sarsaparilla and you will be WELL.

Several persons in town have recently lost small sums of money from their residences by some of the light-fingered gang. Hope they will be caught and punished, and this thieving broken up.

The man about town took a little stroll about our beautiful town, trying to get a few local items for our paper, but ninety per cent. of the people we approached, said I know nothing, only I have got the gripe.

For the weakness and prostration following gripe there is nothing so prompt and effective as One Minute Cough Cure. This preparation is highly endorsed as an unfailing remedy for all throat and lung troubles and its early use prevents consumption it was made to cure quickly. H. F. PIERATT.

## REMINISCENCE.

BY SAM WILSON.

You went away and left me 'neath  
The spreading boughs of the old elm tree,  
Which was love's fair and sweet retreat;  
And you was all the world to me.

There's naught on earth can have the power  
Even untold wealth or crowns of fame  
Could lure me to exchange one hour  
Beneath those boughs with thee again.

You went away, and left some lines,  
Some poetry which I cherish dear;  
Round every word there seems a chime  
Of music breathing soft and clear.

More than a year has flitted by,  
Yet still my heart find no regret,  
And on its shrine you can rely;  
It could not, would not e'er forget.

Ah! memory of that golden time  
Has stamped an image on my heart;  
A treasure that will always shine  
In glory as a work of art.

Uncle Sam is looking for the highwaymen who stopped the mail-carrier between Hindman and Jackson Friday week, and made him dismount and deliver over to them the mail bags. After they had rifled the sacks, they made the mailman take the back track toward Hindman, while they proceeded on to Jackson. It is not known how much booty the thieves secured, but when Uncle Sam gets his clutches on them, they will wish they never was born.

Mason & Hoge, railroad builders, of Frankfort, have taken the contract to finish the Ohio & Kentucky railroad. All the old contractors have retired from the road. The new contractors are energetic men, and will push the work through, and the road will be finished some time during the summer.

## Consumption

is destruction of lung by a growing germ, precisely as mouldy cheese is destruction of cheese by a growing germ.

If you kill the germ, you stop the consumption. You can or can't, according to when you begin.

Take Scott's Emulsion of Cod Liver Oil: take a little at first.

The genuine has this picture on it, take no other.

It acts as a food; it is the easiest food. Seems not to be food; makes you hungry; eating is comfortable. You grow stronger. Take more; not too much; enough is as much as you like and agrees with you. Satisfy hunger with usual food; whatever you like and agrees with you.

When you are strong again, have recovered your strength—the germs are dead; you have killed them.

If you have not tried it, send for free sample, its agreeable taste will surprise you.

## A Sad Death.

We are pained to mention the death of one of Wolfe county's best citizens, Esq. J. S. Vest, who died Monday, 11th inst., and well known as one of THE HERALD's correspondents of Gillmore, Ky., as by the name of "Uncle Remus." Mr Vest had been justice of the peace of this county for a number of years, and postmaster of Gillmore at the time of his demise, and was a member in good standing of the Masonic order. Mr. Vest was a good business man, and one that no man could say aught against his honesty and integrity as a man. He was beloved by all who knew him. He leaves a wife and several children, and a large number of relatives and friends to mourn his loss. Quite a number of Masons from this place attended the funeral of their deceased brother.

## Bible Institute.

On February 26-28, Robert M. Hopkins, of Louisville, State Sunday School Evangelist in Kentucky, will conduct a Sunday School Bible institute in Hazel Green. Two sessions will be held each day—one at 3:30 p. m., the other at 7:00 p. m. At the night session he will use the oxy-hydrogen stereopticon with moving pictures. A black board talk will accompany each lecture. Everybody should arrange to attend all the sessions. Come and bring all the boys and girls. Every session will be free to everybody.

On March 1-3 he will conduct an institute at Frenchburg. Let the people of that place give him a hearty welcome.

## Bucklen's Arnica Salve.

Has world-wide fame for marvelous cures. It surpasses any other salve, lotion, ointment or balm for cuts, corns, burns, boils, sores, felons, ulcers, tetter, salt rheum, fever sores, chapped hands, skin eruptions; infallible for piles. Cure guaranteed. Only 50 cts. at J. Taylor Day, Hazel Green, or S. S. Combs & Son, Campton.

On the fourth Sunday in this month the members of the Christian church at Hazel Green will make their annual offerings for Foreign Missions and State Missions. We hope every member of the church will have a part in this good work. Come, let us give as the Lord has prospered us. Let us make a real sacrifice that the Gospel may be given to the heathen and to the needy of our state. Our love for Christ will be measured by our liberality. Wm. H. CORD, Minister.

Our town would be much nicer if the property holders would only put down side-walks, it would advance the price of their property. Can you see it?

Like bad dollars, all counterfeits of DeWitt's Witch Hazel Salve are worthless. The original quickly cures piles, sores and all skin diseases. H. F. PIERATT.

## Thousands Have Kidney Trouble and Don't Know It.

**How To Find Out.**  
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

**What To Do.**  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
